

Walker Wayland Australasia Limited

About Us

Partnering clients with local expertise and global knowledge, Walker Wayland Australasia Limited is a network of independent but like-minded Chartered Accounting and other professional firms located throughout Australia, New Zealand and Asia. Walker Wayland Australasia Limited is uniquely equipped to deliver a range of services that are relevant to Australian, New Zealand and Asia Pacific business today.

As members of the Chartered Accountants Australia and New Zealand, our Australian and New Zealand member firms together with our Indonesian firms offer clients a creative and practical service by combining technical knowledge, depth of experience and professional understanding. Further, as our specialist staff are able to draw on an international network of expertise, we offer many advantages in dealing with local or global conditions.

Each of our firms are proud of our long tradition of highly personal client service. You can be assured that the partners and senior team members of our network firms will always give you individual attention and take a genuine interest in your success. As business owners and operators themselves they understand your needs.

Many of the firms in the network are also members of BKR International, a global association of independent accounting and business advisory firms representing the expertise of more than 160 member firms with over 500 offices in over 70 countries around the world. This gives our members access to the services and resources of an international firm, while delivering the personal attention and service that clients deserve. It's easy to see why BKR International's independent member firms are the alternative to the Big Four.

Why Become a Member

Being part of the Walker Wayland Australasia network will lift the profile of its member firms through increased marketing and exposure.

Member firms are also able to access a broad base of resources including the BKR International association and Walker Wayland Australasia. This includes access to technical assistance and resources including newsletters and other marketing materials.

Member firms are also encouraged to participate in annual conferences where staff members develop their technical skills within a team environment.
